**Re: United States v. Steven Guzman,  
16 Cr. 200 (AKH)**

The Government's motion is granted. The specifications in the April 2022 Violation Report are dismissed. The November 1, 2022 conference is canceled.

SO ORDERED.  
/s/ Alvin K. Hellerstein  
October 27, 2022

Dear Judge Hellerstein:

The Government writes regarding proceedings relating to Steven Guzman's alleged violation of the conditions of his supervised release. By way of background, on April 5, 2022, the U.S. Probation Department submitted a violation report that included a specification based on an underlying state arrest of Guzman on January 7, 2022 concerning the possession of a forged instrument (the "April 2022 Violation Report"). The Government has conferred with the assigned Probation Officer and, given that Mr. Guzman has been otherwise in compliance with the conditions of supervised release, which expires on November 12, 2022, the Government respectfully moves to dismiss the specifications in the April 2022 Violation Report. If the Court grants this instant motion, the Government also respectfully submits that there is no need for the conference on November 1, 2022.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney
